## TO BE TRIED AGAIN BROUGHTON IS BACK

Jett and White to Be Tried For Cockrell's Murder.

Motion for a New Trial in the Marcom Murder Trial Was Overruled.

RUSSIA'S LATEST MOVE

### NEW TRIAL REFUSED.

Cynthiana, Aug. 15.—Jett and White are to be tried at Cynthiana for the murder of Jim Cockrell. The case will be called September 7.

Attorneys for the commonwealth declined to join in the motion of the defense for a new trial for Jett for the murder of Marcom.

The judge overruled the motion and attorneys for the commonwealth decided to try Jett in the Cockrell case, pending appeal on which a stay of execution of sixty days was granted.

### RUSSIA TO ENFORCE DEMANDS.

St. Petersburg, Aug. 15.—The squadron of the Russian Black Sea fleet has been ordered to sail for Turkish waters. Notification of the move has been telegraphed from Sebastopol to the Russian ambassador at Constantinople.

The dispatch of the squadron is to emphasize the Russian intention of exacting complete compliance with her demands in connection with the murder by a Turkish gendarme of the consul at Monastir.

## CORBETT SATISFIED

Ex-Champion Shows He's Game and the Real Stuff.

Shaking Jeffries by the Hand, He Said "No One Can Touch You."

San Francisco, Aug. 15.—Corbett said after the fight: "I did my best and lost. I fought the best I knew. Jeffries was too big for me, and he is the best man in the world. If the public is satisfied with my fight I am. I am glad to give Jeffries all the credit that is his due. I have no personal feelings in the matter. I have fought my last fight."

Corbett received many telegrams from Eastern friends, principally theatrical, offering him lucrative engagements, win or lose.

Ten thousand men were seated about the arena in Mechanics' pavilion at 9 o'clock tonight, representing an expenditure for seating accommodations aggregating \$54,000. This is the largest crowd that ever assembled at a ringside in this country, and the third largest sum in dollars and cents ever contested for. The two that exceeded it in receipts were the Corbett-Jeffries fight at Coney Island, \$66,000 and the Corbett-McCoy fight at Madison Square Garden, New York, \$63,000.

After the fight was over Corbett quickly recovered, walked over to Jeffries and shook him warmly by the hand. He said:

"Jim, you beat me fairly. You stand alone. No one can touch you." Jeffries gets \$33,728, and Corbett \$10,910.

Mr. Earl Weeks went to St. Louis yesterday.

Sheriff of Bell County Found By Detectives at Last.

Youtsey Gets Badly Tangled up and the Defense Scores Several Points.

WAS FINED FOR CONTEMPT

Georgetown, Ky., Aug. 15.—Former Sheriff Broughton of Bell county, the commonwealth witness who ran away to keep from testifying, was brought back today by detectives. Broughton had been drinking hard since he left here and was in such condition on his arrival that it was necessary to call a physician.

For two hours yesterday Youtsey was interrogated as to his various plans to assassinate Goebel. He admitted that he made conflicting statements immediately following his arrest at Frankfort, which do not now conform to his sworn statements. He said that on his own trial in October, 1900, he pretended to have a fit in the house here to avoid going on the witness stand and to excite sympathy of the jury.

For five hours Youtsey underwent a very trying and vigorous cross-examination as to his participation in the conspiracy which, he says, resulted in the assassination of William Goebel. He maintained a calm demeanor that the people cannot understand in him after the sensations he furnished two years ago, when he was himself on trial here, and "threw a fit" in the court room.

### BAKERY DAMAGED BY FIRE

THE LOSS AT KREUTZER'S, HOWEVER, WILL BE LIGHT.

The fire department was called to Kreutzer's bakery, on Court street near Second, about 2 o'clock this morning to extinguish a small blaze that started from the furnace. It was discovered by the bakers and extinguished before great damage was done, but about 300 loaves of bread were ruined, and the damage to the building will amount to about \$100. The bakery will be running again by tomorrow.

The bakery is owned by the Jake Biederman Grocery and Baking Co., and does a very large business, being the only one in the city selling bread at 3 cents a loaf. The public is to be congratulated for that reason that the loss is light and the early resumption of business promised.

### DRUGGED WHISKEY.

COLORADO EMPLOYE AT TERRELL'S IN SERIOUS CONDITION.

George Leeper, a colored employee of Terrell's livery stable, is in a serious condition from the effects of some whiskey supposed to have been drugged. The negro became ill at 6 o'clock this morning and has been unconscious all day. It is not thought that he will recover. The drugged whiskey is thought to have been given him as a joke by someone who did not think of its having so serious an effect.

TRANSACTS NO BUSINESS.—No business of importance was transacted at the meeting of the Citizen's Good Government League at the Broadway Methodist church last night.

## WEEK'S NEWS IN THE BUSINESS WORLD

Business for the fall trade has been very good with local wholesalers and the indications are for a very good season. This is the condition in all lines. Local manufacturers report good booking of orders and "capacity runs" a promise.

Business with the retailers, too, is

good. Clearance sales are the order of business and some demands are noted for all goods.

## STRUCK BY A CAR THREE ORDINANCES

Ben Smith, a Lineman, Painfully Hurt.

Construction Wagon Hit by the Car—Little Girl Injured by a Car Also.

### AND OTHER MISHAPS

Ben Smith, a lineman for the Independent Telephone Co., was seriously injured this morning about 11 o'clock at the intersection of Bernheim avenue and Twelfth street in a street car accident.

Smith and several other employees of the telephone company were driving in a construction wagon and when coming out of Bernheim avenue got wedged in between another wagon and were unavoidably struck by a street car in charge of Motorman Terry Coleman. The wagon was badly broken up and Smith thrown out in front of the fender, which dragged him several feet before Coleman could stop the car still. Dr. J. E. Woelfle was summoned and dressed the injuries. His head was badly cut and his chin skinned and cut and the entire head bruised badly. Fortunately no bones were broken, but Smith had a narrow escape from possible fatal injuries.

Volma, the little daughter of Mr. James D. Overstreet, at Eighth and Boyd streets, was painfully but not seriously hurt in a peculiar manner yesterday afternoon. A gentleman came in and playfully tossed her towards the ceiling. She struck one of the ceiling electric fans and it was broken into fragments, but fortunately the child escaped with only a few bruises.

A Broadway street car struck a buggy driven by Mr. B. Dishman at Sixth and Broadway this afternoon and broke two wheels from the vehicle. Mr. Dishman was not hurt.

Mr. John Porteous was thrown considerably bruised by being thrown from his bicycle, which struck a Trimble street car today. His injuries are not serious.

Mr. and Mrs. Richard Geagan and children will arrive this evening from Louisville, on a visit Mrs. Geagan's parents, Mr. and Mrs. Joseph Rollston, on North Fifth street.

Public Improvement Bonds Considered This Morning.

Committee Will Ask Vote on Bonds for New Streets, Market House and Hospital.

TOTAL WILL BE ABOUT \$200,000

The movement to take a vote in November at the regular election on issuing city bonds to make necessary improvements here has taken definite shape. It was suggested a few weeks ago by Alderman Oscar Starks, and seems to be popular all over the city.

Yesterday afternoon Mayor Yeiser called meeting of the special committee appointed by the general council to take up and decide on the best plan in connection with the vote. Aldermen Starks and Smith and Councilmen Hummel, Hannan and Greif are on the committee.

This morning they met and discussed the matter and it was decided to present the matter to the boards at their next meeting in the shape of three ordinances, providing for a vote on three projects separately, one issue of bonds to be for street improvements, another for a new market house and the third for a city hospital.

The total amount of the issue will be something like \$200,000, but the ordinances are to be left blank and the amounts to be filled by the boards. The purchase of river front property belonging to the I. C. for wharf purposes will not be included in the bond issue.

It is believed that the amount in the street improvement ordinance will be about \$150,000, and that in the other two \$25,000 each, for a city hospital and new market house.

### FEAST OF ASSUMPTION

SPECIAL SERVICES TODAY AT ST. FRANCIS DE SALES CHURCH.

The Feast of the Assumption was commemorated at St. Francis de Sales Catholic church today. Services were held at 9 o'clock this morning and will be held this evening at 7 o'clock.

## NO MEETING TODAY

Chairman Edwards, of Marshall Didn't Come.

Attorney Lovett Will Stand Pat, It Is Understood From His Friends.

HE IS ON TOP AT PRESENT

The meeting of the Democratic judiciary committee of this district called by Mr. C. W. Morrison, the member from McCracken county, did not take place here this morning as intended, for the reason that Mr. Edwards of Marshall county did not arrive. He notified Mr. Morrison last night that he would be unable to get here today, but would try to come in tonight.

It is likely that he will not come, however, as there is no apparent good to be accomplished by a meeting if one were held. The Taylor crowd want to force another primary, while Lovett and his friends, who are on top, Mr. Lovett having the certificate of nomination, will try and keep so.

If Attorney Taylor insists on running independently, it is claimed by many good Democrats, it will result in the defeat of both Lovett and Taylor, and he would thus forever queer himself with the Democratic party.

Mr. Taylor, it is stated, will answer the open letter of Attorney Lovett in a day or two, and while it is not announced authoritatively, it is said he will decline Mr. Lovett's offer to leave it to the state central committee, and instead suggest another primary, to be paid for by Attorney Taylor himself.

It is reported that warrants in the bogus ballot case are expected in a day or two. Witnesses have been examined nearly every day, and it is said the gentleman who had ballots printed has admitted as much to the court, but Justice Barber, who is holding the investigation would not say whether this was true or not.

A great deal of interest is taken in the case, and in some quarters it is even money which side put the bogus ballots, if there were any, in the box.

## NO CHANGES YET

The Baseball Club Not to be Changed at present.

Reported Two Players Will be Released, But Not Yet Decided.

The Paducah Baseball association management met last night to consider several matters, among them that of changing the management of the team.

Roy Gage, who is at present president of the association and also captain and manager of the team, ordered Dan O'Connor on the bench for failing to recognize discipline and O'Connor now refuses to play as long as Gage is manager. It has been reported that Manager Gage would be taken out, but nothing definite has been done. Gage is now playing right field in the place of Akers, who was disabled at Clarksville.

There is a report out to the effect that Orr and Akers will be released, but the management stated this morning that this had not yet been decided on. Akers has been crippled since he joined the team, but still has played excellent ball, while Orr has had support in nearly every game he has lost. There will probably be several changes made, but the management stated that nothing was yet definite enough to give out for publication.

TRUNK NOT LOCATED.—Mrs. T. O. Leech, who had a trunk checked over the Big Four railroad in Canada for Paducah ten days ago, has not been able to find a trace of it, and Mr. Leech will today go to Louisville with the intention of bringing suit against the company if the trunk is not produced. It contained many valuable articles.

## NEWS OF THE COURTS

More Cases Settled in the Mayfield Crusade.

Baseball Players Figure in the Police Court of Paducah This Morning.

CASES IN THE OTHER COURTS

Interest grows in the crusade in Mayfield against non-intoxicating drinks, and yesterday the prosecution scored a victory and fines were assessed. The Messenger says:

"Lee Wicker was fined \$75 and costs and George Tilley was fined \$60 and costs Thursday afternoon for selling cream ale. Tilley sold two bottles of cream ale to R. M. Allen of Lexington last June. Tilley was clerking for Wicker at the time.

"The case was the same one in which there was a hung jury Wednesday, in which McCartney and Dr. List, chemists of Paducah, and Prof. LaBach of Lexington testified. Prof. LaBach analyzed the ale bought by Mr. Allen and testified that one bottle contained 4.05 per cent alcohol. Dr. List was not present, but his affidavit said he had analyzed a bottle of like liquid and there was absolutely no alcohol, while Mr. McCartney testified that a bottle furnished by Mr. Wicker to him contained only 1.76 per cent alcohol. All agreed that over 2 per cent formed an alcoholic beverage."

### POLICE COURT.

"Old King Cole," Accorini, Behan and Sherman, four of the Jackson base ball players, had a general mix-up among themselves on lower Broadway last night after the excursion landed, and as a result they were all arrested. Two of them presented countenances that looked like the last rose of summer and Cole appears to have gone up against a thresher or two. All pleading guilty before Judge Sanders and were fined \$3 each, the manager paying the fines.

The case against Charles Buck, for alleged larceny, was filed away.

The case against Pat Riley and Sam Womble, for suffering gaming, was partially heard and left open.

Dan Sweeny, who is alleged to have created a disturbance at the depot, was charged with a breach of the peace and his case left open until Monday.

### BARBER'S COURT.

Justice Barber's regular term of court will begin Monday morning, with a large docket. There are no cases of unusual importance.

## NO ENCOURAGEMENT

The County Fair Proposed for Paducah Probably off.

The Red Men's Festival Will Be Sufficient Without it.

Judge Givens and James A. Francisway, of Madisonville, who are interested in the Hopkins County Fair Association, arrived in the city yesterday afternoon to confer with local merchants preparatory to giving a county fair here.

This morning they have given out very bad news in the way of encouragement saying that they did not think they could give the fair now on account of the date set for the Red Men's street fair and carnival. The promoters of the Hopkins county fair wanted to give the fair here after October 6th, that date being open for the attractions they will bring here.

The merchants have not given out much encouragement, and the Madisonville gentlemen are disappointed.

The Henderson fair closes near October 6th and it was their intention to bring the attractions from Henderson direct to Paducah by river.

Mrs. R. R. Winston and daughter, Miss Clare, have returned from visiting in Union City and Dresden, Tenn.

Mrs. Charles K. Wheeler entertained Wednesday afternoon at 5 o'clock at her home, Fifth and Court streets, with a tea on the lawn in compliment to her sister-in-law, Mrs. George Wilgig of Waco, Tex., and Mrs. Charles Trueheart of Louisville. It was an unusually pretty summer function. Vases of flowers were placed in the open windows of the house and the tea table on the lawn was adorned with a huge bowl of La France roses. Ice tea was served from a punch bowl by Miss Jeanette Campbell. Among those who assisted Mrs. Wheeler in receiving were: Mesdames Willig, Trueheart, W. F. Bradshaw, James Campbell, R. G. ### PADUCAHAN'S CONCERT DEBUT

Much interest is felt in the concert which Mrs. Minnie Scofield will give here in September 28, as a debut to a contemplated concert career. Mrs. Scofield will be assisted by the teacher with whom she has studied the past year in Chicago, Signor Marescalchi, who is a musician of note. The selections for the concert will be from the "Barber of Seville," in which Marescalchi once appeared with Patti. Mrs. Scofield has been in training for her work for the past year, besides the previous musical advantages she has had, and her naturally sweet voice has been much improved by cultivation. Paducah, which is Mrs. Scofield's native place, is proud of her talent, and her opening night here will doubtless attract a large audience. Local talent will assist in the concert.

### TO VIRGINIA SCHOOLS.

A number of young Paducahans will go to school out of the city during the coming fall and winter. Miss Margery Scott will go to Roanoke, Va. She will leave Monday with her mother, Mrs. F. L. A paper of St. Joseph, Mo., says of a young woman well known in Paducah: "Miss Blanche Buckner, who has spent the past two months in St. Joseph, the guest of her sister, Mrs. James N. Burnes, Jr., left last evening for her home in Louisville, Ky. Miss Buckner is a typical Kentucky girl, whose charm of manner, combined with an unusually beautiful soprano voice, has won for her many admiring friends in St. Joseph, who sincerely regret her departure from their midst."

### INSANE MAN'S PEED

SHOT INTO A CROWD AND KILLED THREE.

Winfield, Kan., Aug. 15.—A frightful killing occurred here while Cannon's band was playing its weekly concert on the main street of the town to a crowd of 5,000 people. Gilbert Twigg, a crazy man, 30 years of age, opened fire on the crowd with a double-barreled shotgun loaded with bullets.

As a result four are now dead, three dying and no less than twenty injured, perhaps five or six fatally. The dead are:

Sterling Race, a carpenter of this city.

Dawson Tillotson, a barber of this city, whose brains were blown out.

Bog Bowman, a carpenter of Oxford Kan.

Gilbert Twigg, the man who did the shooting, was killed by Officer Nichols.

### TOO OLD TO SUPPORT FAMILY.

### PHYSICIAN AND DRUGGISTS.

Ferd & Sturgeon, a prominent drug firm at Rocky Hill Station, Ky., writes: "We were requested by Dr. G. B. Snigley to send for Herbine for the benefit of our customers. We ordered three dozen in December, and we are glad to say Herbine has given such great satisfaction that we have duplicated this order three times, and today we gave your salesman another order. We beg to say Dr. G. B. Snigley takes pleasure in recommending Herbine." 50c bottle at DuBois, Kolb & Co.

### KING PETER HAS ENOUGH.

London, Aug. 15.—The Daily Telegraph prints a dispatch from Vienna which says that there is an unconfirmed report that King Peter, of Serbia, has threatened to abdicate, as he is virtually a prisoner in the hands of the military party.

### WATCH FOR A CHILL.

However slight at this time of the year and in this climate, it is the forerunner of malaria. A disposition to yawn and an all-tired-out feeling even comes before the chill. Herbine, by its prompt stimulative action on the liver, drives the malarial germs out of the system, purifies the blood, tones up the system and restores health. 50c at DuBois, Kolb & Co.

Attorneys Sam Crossland of Mayfield and W. F. Bradshaw, Sr., went to Murray this morning on business.

## WEATHER BULLETIN.

Washington, Aug. 15.—Last bulletin gave forecasts of disturbance to cross continent 15 to 19, warm wave 15 to 18, cool wave 17 to 21.

Next disturbance will reach Pacific coast about 20, cross west of Rockies by close of 21, great central valleys 22 to 24, eastern states 25.

Warm wave will cross west of Rockies about 20, great central valleys 22, eastern states 24. Cool wave will cross west of Rockies about 23, great central valleys 25, eastern states 27.

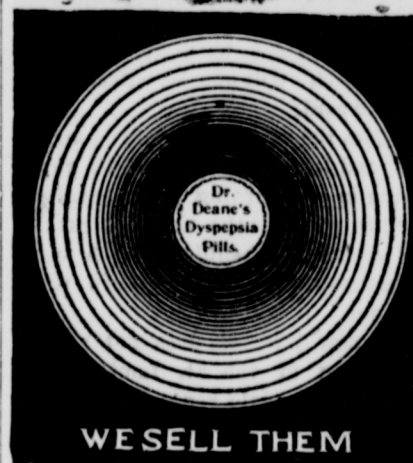

This disturbance will belong to a period of dangerous storms. Probably two storm centers will affect the United States and one in Canada. One a tropical storm on the Gulf coast and two moving from the northwest. These will probably come together south of latitude 40 and form a storm of great force. At the same time a wave of very low temperature will come in behind the northwestern storms.

Temperature accompanying the low of this disturbance will not go high and altogether it will belong to a period of very cool weather, the warm wave being of very short duration.

This is not expected to be the most severe storm of the season, but a wise precaution will be to watch the elements closely from 22 to 27.

Showers will be general to end of month and temperature will, as an average, rapidly decline after 17.

The Dick Clyde ran an excursion to Metropolis last night. A large crowd was in attendance.

statement of the circulation of The  
Sun for the month of July, 1903, is true  
to the best of his knowledge and belief.

## DAILY THOUGHT.

We exchanged our experiences, and  
all learned something.—Emerson.

## THE WEATHER.

Showers and warmer tonight. Sun-  
day showers.

Gov. Taylor was deliberately robbed  
of the office to which he was elected  
in Kentucky, is the way the St. Louis  
Globe-Democrat looks at it. The per-  
jury of the scheme is still cozing out  
in trials and retrials that are not al-  
lowed to establish any facts the Go-  
belites consider unacceptable.

Those people who claim that no man  
can make honestly a million dollars in  
a lifetime can find food for reflection  
in the career of Edward Dwyer of  
New York, who has three times been  
a millionaire, has lost it and is now a  
bankrupt owing nearly \$400,000, and  
has but his clothes as assets. If a man  
can spend three fortunes of a million  
dollars in a lifetime it seems reason-  
able that somebody else can make it.

Several important matters are to  
come up at the extraordinary session  
of congress to begin October 12. Pres-  
ident Roosevelt desires some financial  
legislation, and it is understood will  
also recommend the passage of a bill  
making the Cuban reciprocity bill  
effective. One reason the president  
insists on Cuban reciprocity legisla-  
tion is that he feels, according to dis-  
patches, that it is a duty left as a leg-  
acy by President McKinley. He was  
convinced that President McKinley  
promised the Cubans closer com-  
mercial relations in return for their  
agreement to accept the Platt amend-

ment. The financial legislation will  
depend largely on financial conditions  
which prevail this fall.

Herr Becker, commercial counselor  
of Germany, has completed a book on  
the progress of America, which he re-  
cently visited, and reports that every  
indication shows that the prosperity  
will continue and that America will  
still find the largest market for her in-  
dustrial production within her own  
borders. He admits that protective  
duties have enabled the United States  
to compete successfully in foreign  
markets, but he does not consider this  
as ground for reprisal, as the world is  
wide enough for both the United  
States and Germany. The lessons that  
Germany has to learn from America,  
the representative says, are the spe-  
cialization of industry, the reduction  
of cost through the United States of  
labor-saving machinery, and the dis-  
tribution of work among affiliated  
companies, although, as regards the  
last named, the baron admits that he  
does not regard this as so easy in Ger-  
many as in a new country.

Henry Youtsey's explanation of the  
affidavit he made that Caleb Powers  
was innocent, by producing a state-  
ment purporting to have been signed  
by Powers himself waiving the truth  
or falsity of the affidavit, would be ab-  
surd to anyone except men selected  
with a view to convicting Powers, in-  
nocent or guilty. That Youtsey, who  
says he was in a conspiracy to kill  
Senator Goebel, and is an acknowl-  
edged perjurer in other respects,  
should have displaced such a pious  
compunction against making an affi-  
davit he now says was a lie, is ridi-  
culous. His whole attitude towards  
other alleged conspirators since he became  
a convict has been tinged with malice  
and vindictiveness, and the new state-  
ment he has presented in this trial is  
probably only a plan to extricate him-  
self from the dilemma of now swear-  
ing that certain things are true which  
he had previously made affidavit are  
untrue. Possibly Youtsey has some  
paper signed by others showing that  
he was an honorary member of this  
conspiracy he tells about, and was ex-  
tended through the paper immunity  
from punishment in this world or the  
next. The idea that a man who con-  
fesses he conspired to commit cold-  
blooded murder would hesitate to  
make a false affidavit, or require a  
signed statement that it was false be-  
fore signing it, could not be credited  
by any but the partisan-blind.

## GAVE LEG BAIL.

BUT THE PRISONER WAS AF-  
TERWARDS RELEASED  
BY THE JUDGE.

Officer Albert Senser last evening  
saw Chris Winner, a German, in a  
lower Court street house, and when  
the man espied the officer he broke  
and ran. He was overhauled, and no  
explanation being given for his pecu-  
liar action, was taken to the city hall.  
The officers are confident he is wanted  
somewhere for something, but as they  
could learn nothing about him he was  
released.

## DIED IN ILLINOIS

MR. AL YOUNG NOTIFIED OF  
HIS FATHERS' DEATH AT  
MT. CARMEL.

Mr. Al E. Young, of the Sun job  
department, this morning received  
news of the death at Mt. Carmel, Ill.,  
of his father, Mr. Stephen Young,  
who had been ill for a year past. The  
deceased was 71 years old and leaves  
a wife and only one child, Mr. Al  
Young. The latter left at noon to  
attend the funeral.

## STILL OUT OF REACH.

Jailer Jones has been unable so far  
to learn the whereabouts of George  
Smith, alias Taylor, who escaped from  
the county jail several days ago, but  
hopes to hear something within a day  
or two. Smith seems to be as well up  
in keeping his pursuers at a distance  
as he was at picking locks.

TAKES A NEW POSITION—Dr.  
John Woolfolk has resigned with Du-  
Bois, Kolb & Co. to accept a position  
as bookkeeper for the Paducah Furni-  
ture factory salesrooms. He makes  
the change Monday.

## NEW ROAD WILL OPEN

Regular Schedule Begins on  
Cairo Division Tomorrow.

Changes Made by Reason of New Di-  
vision—Big Train to Chicago  
Today.

## OTHER LATE RAILROAD NEWS

Tomorrow at noon the new time  
card on the I. C. will go into effect  
with the opening of the new Cairo ex-  
tension of the road. The track has  
been ballasted thoroughly and is now  
in prime condition for service. Trains  
will begin tomorrow morning, al-  
though the time card does not go into  
effect until noon.

There will be an accommodation  
passenger train leaving Paducah in  
the morning and evening, the latter  
being a fast train and carrying the St.  
Louis sleeper. The Hopkinsville train  
has changed time and will hereafter  
arrive in Paducah at 9:20 o'clock,  
leaving at 9:25 and making all stops  
between here and East Cairo. This  
train will return here in the evening,  
arriving at 8:20 and leaving at 8:25  
for Hopkinsville.

At 7 o'clock p. m. the St. Louis ex-  
press will leave, making all the stops  
between here and Cairo to accommo-  
date those passengers traveling be-  
tween Paducah and East Cairo. The  
St. Louis express will return in the  
morning, arriving at 7:45 a. m., in  
time to connect with the Fulton  
train, which will not be affected by  
the time card.

Besides the passenger trains a man-  
ifest and local freight will be run,  
leaving in the morning and returning  
at night. This is the arrangement of  
the "proposed schedule," which was  
not changed when the time card was  
made out.

The new schedule does not affect  
the running of the St. Louis trains  
over the Carbondale route. The trains  
will leave as formerly except that the  
night train will carry a chair car in-  
stead of a sleeper.

Mr. Julius Rothschild, formerly of  
the city, who was first clerk to En-  
gineer L. A. Washington of the Illinois  
Central, now city engineer of Padu-  
cah, was here yesterday en route from  
Louisville to St. Louis. Mr. Roth-  
schild's success has been gratifying.  
He went to Louisville from here and  
from there to St. Louis. He is now  
chief clerk of the superintendent of  
terminals at St. Louis.

Train No. 4, from New Orleans to  
Chicago, will today be run in six  
sections, an annual occurrence. The big  
annual excursion will be run today,  
which necessitates the addition of ex-  
tra coaches to accommodate the excu-  
sion. Excursion rates are in effect at  
every station between New Orleans  
and Chicago.

Mr. Ben Moore, a bridge carpenter  
in the employ of Foreman Harry Du-  
val's gang, is mentioned as a possible  
successor to Mr. Duval, who was yes-  
terday promoted to supervisor of the  
Evansville district.

## S. S. ASSOCIATION.

WILL CONVEY IN LEXINGTON  
TUESDAY FOR THREE DAYS.

The Kentucky Sunday-school as-  
sociation will meet Tuesday in Lex-  
ington for a three day session. Several  
delegates from Paducah will be in at-  
tendance. Among those on the pro-  
gram are Prof. E. A. Fox, of Louis-  
ville, formerly of this city, Rev. T.  
C. Gebauer, of Henderson, field work-  
er, and George Schen, Louisville, both  
of whom are well known here.

Proud of His Alma Mater.  
Senator Quarles of Milwaukee has  
formally accepted the invitation ex-  
tended by President Angell of the  
University of Michigan to deliver the  
baccalaureate address at Ann Arbor  
on June 18. The senator takes great  
pride in his alma mater. "I was a  
poor boy," said he the other day, "and  
but for the fact that the university  
extended to me a helping hand I never  
would have had the opportunity to climb  
the ladder. I shall take the utmost  
pleasure in going back again."

WASN'T SICK LONG—Clayborn  
Smith, colored, 308 North Twelfth  
street, was a sick man for awhile yes-  
terday, but late in the afternoon he  
took up his bed and walked. Gasoline  
from the stove dropped down and ig-  
nited the paper on the wall, and this  
is what cured him. The blaze was  
extinguished before the department  
arrived.

## DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women--Many Thousand Women  
Suffer Needlessly From This Cause.

There are a multitude of women, es-  
pecially housewives, and all other  
women obliged to be on their feet con-  
stantly, who are wretched beyond de-  
scription, simply because their strength  
and vitality is sapped away by catarrh,  
discharges from the pelvic organs.  
These women get up in the morning  
tired, drag themselves through their  
daily duties tired, only to go to bed at  
night as tired as before.

Mrs. Eva Bartho, 133 East 13th Street,  
N. Y. City, N. Y., writes:—"I suffered for  
three years with what is generally known as  
leucorrhoea, in connection with ulceration of  
the womb. The doctors advocated an opera-  
tion which I dreaded very much, and strongly  
objected to go under it. Reading of the  
value of Peruna, I thought it best to give  
this well-known remedy a trial, and I bought  
three bottles of it at once. Now I am a  
changed woman. Peruna cured me; I took  
nine bottles, but I felt so much improved I  
kept taking it, as I dreaded an operation so  
much. I am to-day in perfect health, and  
have not felt so well for fifteen years."—Mrs.  
Eva Bartho.

## MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Halls Street,  
Toronto, Ont., Can., Secretary of the King's  
Daughters and Secretary of Lady Maca-  
bee, writes:—"If all women knew of the  
benefits to be derived from taking Peruna  
we would have many happier and more health-  
ful women. My health has never been too  
robust, and I am easily fatigued and can not  
stand much. About a year ago I was so run  
down that I had to take to my bed, and be-  
came weaker and weaker. A friend advised  
me to try Peruna, and I have great reason to be  
grateful, for in two weeks I was out of bed  
and in a month I was perfectly well, and I  
now find that my health is much more robust  
than formerly, so that I take Peruna once or  
twice a month and keep well."—Louise Mahon.

Peruna is such a perfect specific for  
each case that when patients have once  
used it they can never be induced to quit  
it until they are permanently cured. It  
begins to relieve the disagreeable  
symptoms at once. The backache  
ceases, the trembling knees are strength-  
ened, the appetite restored, the digestion  
made perfect, the dull headache is stop-  
ped and the weakening drains are gradu-  
ally cured. These results certainly  
follow a course of treatment with  
Peruna.

Barbara Alberty, corner Seventh and  
Walnut streets, Appleton, Wis., writes  
as follows in regard to Peruna:

"For years I have suffered with back-  
ache and severe pains in the side. I  
doctored so much that I became dis-  
couraged. A school friend told me how  
very much Peruna had benefited her  
and I sent out for a bottle, which did  
more to relieve me than all the other

## MRS. EVA BARTHO.

medicine I have ever taken. I used it  
faithfully for two weeks and it com-  
pletely cured me. I have not had any  
pains since, anywhere, but feel like a  
new woman. I am truly thankful for  
what Peruna has done for me."—Bar-  
bara Alberty.

Mrs. Kate Mann, 806 Bathurst Street,  
Toronto, Ont., Can., Vice President of the  
Ladies Aid Society, writes:—"I am pleased  
to give praise to Peruna for the blessed relief  
I found through its use. I suffered for years  
with backache and dragging down pains and  
often had to go to bed and stay there when I  
was so busy that I could ill be spared. It  
was therefore a simple goodness to me when  
Peruna was brought to my notice. Every  
drop seemed to give me new life, and every  
dose made me feel much better, and I prom-  
ised myself that if I found that it cured me I  
would advocate it so that other suffering  
women should know of it. I have been in  
perfect health for one year. I enjoy work and  
pleasure because in such fine health, and no  
trouble seems too heavy to bear when you are  
in good health. Peruna has simply been a  
household blessing and I never will be with-  
out it again."—Mrs. Kate Mann.

## MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt St., Brook-  
lyn, N. Y., writes:—"Peruna did so much  
for me that I feel it my duty to recom-  
mend it to others who may be similarly afflicted.  
About a year ago my health was completely  
broken down, had backache, dizziness and ir-  
regularities, and life seemed dark indeed.  
We had used Peruna in our home as a tonic,  
and for colds and catarrh, and I decided to  
try it for my trouble. In less than three  
months I became regular, my pains had en-  
tirely disappeared, and I am now perfectly  
well."—Mrs. Anna Martin.

Mrs. Wm. Hetrick, Kennard, Wash-  
ington county, Neb., writes:  
"I am fifty-six years old and have not  
felt well since the Change of Life be-  
gan, ten years ago. I was in misery  
somewhere most of the time. My back  
was very weak, and my flesh so tender  
it hurt me to lean against the back of a  
chair. I had pain under my shoulder  
blades, in the small of my back and  
hips. I sometimes wished myself out  
of this world. Had hot and cold spells,  
dizziness and trembling of the limbs,  
and was losing flesh all the time. After  
following your directions and taking  
Peruna I now feel like a different per-  
son."—Mrs. Wm. Hetrick.

If you do not derive prompt and sat-  
isfactory results from the use of Peruna,  
write at once to Dr. Hartman, giving a  
full statement of your case, and he will  
be pleased to give you his valuable ad-  
vice gratis.

Peruna can be purchased for \$1 per  
bottle at all first-class drug stores.  
Address, Dr. H. C. Hartman, President of  
The Hartman Sanitarium, Columbus, O.

## Theatrical Notes.

Another crowd of bill posters and  
advertisers for the Forepaugh-Sells  
Bros. show are here billing the town.

The new Cleveland baby is to be  
christened Grover Jefferson. Is he  
named in honor of Thomas or Joseph?

In New York we have the floating  
roof garden, and on the Ohio river a  
dramatic company is presenting  
"Faust" on a flatboat, says a New  
York exchange. In a few years we  
will have comic opera in an air ship.

There will be a concert by Deal's  
band at Wallace park tomorrow after-  
noon from 4 to 5:30 o'clock. A fea-  
ture of the concert will be a rendition  
of "The St. Louis Exposition March,"  
a composition of a local musician, Miss  
Isabel Mohan.

Next season Tim Murphy, who is  
very popular in Paducah, will star un-  
der the management of F. Louis Wer-  
ba, and the vehicle is to be a new play  
by George V. Hobart and Edward E.  
Rose, entitled "The Man from Mis-  
souri."

Mr. Murphy has been busy of late  
recalling incidents of humorous import  
that have happened in Missouri, but  
his latest story is of a happening in Il-  
linois last season. He was on a local  
train and had taken a seat in the  
smoker. Directly across the aisle was  
a young man who had evidently been  
drinking heavily, and was sleeping it  
off. He was mumbling to himself,  
and in other ways denoted that he was  
in an alcoholic peace with all the  
world.

Suddenly the train began to slacken  
speed as it drew near the town of  
Champaign, Ill., and the brakeman en-  
tered the car, and standing beside the  
sleeping youth, bawled out:

"Champaign, Champaign!"

In an instant the sleeper was awake.

"No, you don't," he cried angrily.

"You can't work that game on me.  
We were shaking for the beer."

## TO IMPROVE OHIO.

MR. ALECK CRAIG IS NOW AT WORK IN PADUCAH.

Mr. Aleck Craig, of Louisville, is here working up interest in the Ohio Valley Improvement Association and securing members to it. The work of the association is in improving the Ohio river, and its present project is to have improvements authorized by congress that will result in a nine-foot stage the year around to Cairo.

Very little interest has ever been taken at this end of the river in the work because the upper portion of the river gets all the benefit, and according to our congressman, will continue to do so for the next fifty years.

Mr. Craig is a hustler and has been meeting with gratifying success everywhere he has been. He came here from Henderson.

## STRENGTH IN FOOD.

A WOMAN'S WORK MADE EASY BY STRENGTH AND HEALTH.

A widow writes: "When I began to use Grape-Nuts I had so much trouble with my stomach and was very nervous, and as I make my living by really hard work I needed all the strength possible, for I have two boys to support."

"I began eating Grape-Nuts simply to try the food, but soon noticed that my trouble was going and my nervousness was much less, so I continued to use Grape-Nuts food, with the result that I am now entirely cured. Grape Nuts always agreed with me and when I work the hardest it seems to me I enjoy them and need them the most. They satisfy me better and seem to do me more good than meat."

My younger boy, who inherits a weak constitution from his father, who died of consumption, has been greatly benefited by Grape-Nuts. He makes his breakfast of Grape-Nuts and milk and the result of this diet has been that his stomach is much stronger and his appetite increased and altogether he is like another boy.

"I notice this about Grape-Nuts, that when I eat them and go away to work they seem to stay by me and sustain me better during the day than anything else I eat." Name given by Postum Co., Battle Creek, Mich.

Send to the company for particulars by mail of extension of time on the \$7,500 cooks' contest for 735 money prizes.

## LARGE CROWD GOING.

BARBECUE AND DANCE NEAR MASSAC ATTRACTING MANY PEOPLE.

The barbecue and bran dance in the county today, about eight miles from the city between Massac and Lovelaceville, is drawing an immense crowd. Farmers in today report that they never saw so many people going to a picnic. Attorney L. K. Taylor, of the city, and others will probably speak during the day.

### Musical Kites.

The Chinese, who have played with kites ever since the beginning of history, make huge kites in the shape of dragons and arrange them so that they play a queer kind of music as the float high in the air.

## NOT SO ROSY.

The general manager of the People's Telephone Co. of Knoxville has never missed an opportunity of decrying the "Bell" telephone companies, and proclaiming the prosperity of his own. He has made these statements so often that perhaps some people believe them to be true; therefore the following extracts, taken from his statement under a recent date, filed with the state authorities at Nashville, will throw some light on the subject, and as his statement is sworn to it must be considered in a serious light:

"The People's Telephone and Telegraph Co., organized in 1893."

"Interrogatories—Class C."

Stocks and bonds.

In answer to interrogatory 1 he says: "300 shares of capital stock, par value \$100 per share."

"Cash dividends paid since organization of company \$900."

"Interrogatories—Class D."

In answer to interrogatory 1 he says: "Total gross earnings from all sources during fiscal year ending January 31, 1903, were \$31,726.27."

In answer to interrogatory 4 he says: "The operating expenses and taxes within the state of Tennessee for the last fiscal year ending prior to January 31, 1903, were \$34,297.37."

"Interrogatories—Class F."

In answer to interrogatory 3 he says: "We know of no method of estimating the value of such a franchise as ours \* \* \* Under our franchise, which is only the right to do business, we are compelled to meet competitive conditions, and we must also obey the dictates of the city officials, who can and do require us to move our poles and wires from place to place, and under these conditions we do not consider our franchise can be compared to that of a railroad company. It is also uncertain how soon the franchise may be destroyed"

As a summary we have the following: A company in operation for ten years, with a capital stock of \$30,000, on which it has paid \$900. This is less than one-third of 1 per cent. For the year it admits a loss in operating expenses of \$2,571.10.

As no item is set forth for maintenance of the property it is barely possible that a considerable sum will have to be added for that purpose.

It appears that there has been some mistake about these "rosy" statements which the general manager of this company has been making.

## Mother's Friend

Every woman in the country ought to know about

Those who do know about it wonder how they ever got along without it. It has robbed childbirth of its terrors for many a young wife. It is an external liniment and carries with it therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy.

A druggist of Macon, Ga., says: "I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it."

A prominent lady of Lamberton, Ark., writes: "With my first six children I was in labor from 24 to 30 hours. After using Mother's Friend, my seventh was born in 4 hours."

Get Mother's Friend at the drug store, \$1.00 per bottle.

The Kellogg Switchboard and Supply Co. filed two suits, each for \$15,000, against unions involved in the strike which terrorized Chicago several weeks ago and is still on. In addition to these cases, six young women, employees of the Kellogg Switchboard and Supply Co., have sued eight women, who participated in the Kellogg strike, for slander and libel, each case being for \$1,000 damages.

TOO SWIFT CONCURRENCE.

An Atchison man, newly married, was sounding his wife's praises to his men friends. "Why, she is so much better than I," he said, "I don't see how she came to marry me." His friends all agreed to this so promptly that he got mad; said he was as good as his wife any day, and wanted to whip the crowd.—Atchison Globe.

## OUTING SPOTS IN THE NORTHWEST

There are many places in the country of the Northern Pacific, some inexpensive, others better and more expensive, where one can spend the summer days pleasantly and healthfully. Among these are Walker in the Leech lake country, and Detroit and Battle Lake in the Lake Park region in Minnesota; Eaton's ranch, near Medora, N. D.; Hunter's Hot Springs in the Yellowstone valley, and Missoula and the Bitter-root valley in Montana; Lakes Pend d'Oreille and Cour d'Alene, Idaho; North Yakima in Eastern Washington, and Green River Hot Springs in the Cascades; Tacoma, Seattle, Port Townsend, Port Angeles and Victoria on Puget Sound, and many places along the Columbia river and on the Pacific Ocean from Portland as a center.

Those east of the Mississippi who wish a decided change should go to the Rockies or the Puget Sound and Columbia river and sea coast country. We can only hint at these things here, but write us giving particulars as near as you can, and we will try to give you the needed information to enable you to find what you want. And don't forget that Yellowstone Park is the chief of all tourist shrines.

Send to Chas. S. Fee, General Passenger Agent, St. Paul, Minn., six cents for "Wonderland 1902." You need it in your business.

"I thought how easy it would be to  
strip the loose surplice over the sacris-  
tan's head. There was a swift clip of  
the arm around your opponent's neck  
which I had learned in wrestling that  
cut the breath off and dropped him as  
limp as a cloth. It was an Indian trick.  
I said to myself it would be impossible  
to use that trick on the sacristan if he  
left the cell behind the deaf old priest.  
I did not want to hurt him. Still he

There was lightning in my arm.  
would have a better chance to live after  
I had squeezed his neck than I  
should have if I did not squeeze it.

The priest dipped his thumb in oil  
and with it crossed the eyes, ears, nose,  
mouth and hands of him who was leaving  
the use of these five senses and in-  
struments of evil.

Then he placed a lighted candle in  
the stiffened fingers and ended with:  
"Accipe lampadem ardentem custodi  
unctionem tuam."

I said to myself: "I cannot do it!  
Nobody could! It is impossible!"

The sacristan now began to strip the  
altar and pack all the sacred imple-  
ments into their cases, preparing his  
load in the center of the room. The  
man was dead.

The sacristan rapped upon the door  
to let the turnkey know that it was  
time to unlock. The turnkey opened a  
gap of doorway through which he  
could see the candles and the bed. He  
opened no wider than the breadth of  
the priest, who stepped out as the sacris-  
tan bent for the portables.

There was lightning in my arm as it  
took the sacristan around the neck and  
let him limp upon the stones. The tail  
of the priest's cassock was scarcely  
through the door.

"Eh bien, sacristan," called the turn-  
key. "Make haste with your load. I  
have this death to report. He is not so  
pretty that you must stand gazing at  
him all night!"

I had the surplice over the sacristan's  
head and over mine and backed out  
with my load, facing the room.

It was impossible, but I had done it!

**CHAPTER XIII.**

**"GOOD NIGHT, monsieur le**

**curé,"** said the turnkey, let-  
ting us through the outer  
door.

"Good night, good night," the priest  
responded.

"And to you, sacristan."

"Good night," I muttered, and he  
came a step after me. The candle was  
yet in his hand, showing him my bulk  
and perhaps the small clothes he had  
longed to vend. I expected hue and  
cry, but walked on after the priest and  
heard the heavy doors jar, and breath-  
ed again.

Harkening behind and in front, on  
the right and the left, I followed him  
in the direction of what I have since  
learned to call the Jardin des Plantes.  
It is near Ste. Pelagie.

The priest, veiled by his long office,  
spoke only once about the darkness, for  
it was a cloudy night, and did not at-  
tend to my muttered response. I do not  
know what sympathy the excellent old  
man might have shown to an escaped  
prisoner who had choked his sacristan,  
and I had no mind to test it. He turned  
a corner, and with the wall angle be-  
tween us I eased down the sacred fur-  
niture, drew off the surplice and laid  
that upon it and took to my heels up  
the left hand street, for the guard had  
brought me across the river to Ste. Pe-  
lagie.

I had no hat, and the cut of my coat  
showed that I had lost a waistcoat.  
Avoiding the little circles of yellowness  
made by lamp posts, I reached without  
 mishap of falling into the hands of any  
patrol a bridge crossing to an island  
point, and from the other side of the  
point to the opposite shore. At intervals  
along the parapet dim lights were  
placed.

Compared to Lake George, which  
would like a river, and the mighty St.  
Lawrence as I remembered it, the Seine  
was a narrow stream. Some boats  
made constellations on the surface.  
The mass of island splitting it into two  
branches was almost the heart of Par-  
is. There were other foot passengers  
on the bridge, and a gay carriage rolled  
by. I did not see any gendarmes, and

only one foot passenger troubled me.

I was on the bridge above the left  
arm of the river when an ear trained  
in the woods caught his footstep, paus-  
ing as mine paused and hurrying as  
mine hurried. If the sacristan had  
been found in Ste. Pelagie a pursuer  
would not track me so delicately, and  
neither would Skenedonk hold back on  
the trail. I stopped in the shade when  
we two were alone on the second span  
and wheeled, certain of catching my  
man under the flare of a cresset. I  
caught him and knew that it was Bel-  
lenger following me.

My mind was made up in an instant.  
I walked back to settle matters with  
him, though slaughter was far from  
my thoughts. I had done him no harm,  
but he was my enemy and should be  
forced to let me alone.

The fellow who had appeared so fee-  
ble at his cabin that I opened the door  
for him, and so poor spirited that his  
intellect claimed pity, stood up as firm  
as a bear at my approach and met my  
eyes with perfect understanding.

Not another thing do I remember.  
The facts are simply these: I faced Bel-  
lenger; no blows passed; my mind  
flashed blank with the partial return  
of that old eclipse which has fallen  
upon me after strong excitement in  
more than one critical moment. The  
hiatus seems brief when I awake,  
though it may have lasted hours. I  
know the eclipse has been upon me like  
the wing shadow of eternity, but I  
have scarcely let go of time.

I could not prove that Bellenger  
dragged me to the parapet and threw  
me into the river. If I had known it I  
should have laughed at his doing so,  
for I could swim like a fish through or  
under water and sit on the lake bot-  
tom holding my breath until Skenedonk  
had been known to dive for me.

When next I sensed anything at all  
it was a feeling of cold.

I thought I was lying in one of the  
shallow runlets that come into Lake  
George, and the pebbles were an un-  
easy bed, chilling my shoulders. I was  
too stiff to move or even turn my head  
to lift out of water the ear on which it  
rested, but I could unclose my eye-  
lids, and this is what I saw: A man  
naked to his waist half reclining  
against a leaning slab of marble down  
which a layer of water constantly  
moved. His legs were clothed, and his  
other garments lay across them. His  
face had sagged in my direction. There  
was a deep slash across his forehead,  
and he showed his teeth and his glassy  
eyes at the joke.

Beyond this silent figure was a wo-  
man as silent. The ridge of his body  
could not hide the long hair spread upon  
her breast. I considered the company  
and the moisture into which I had fall-  
en with unspeakable amazement. We  
were in a low and wide stone chamber  
with a groined ceiling supported by  
stone pillars. A row of lamps was ar-  
ranged above us so that no trait or fea-  
ture might escape a beholder.

That we were put there for show en-  
tered my mind slowly and brought in-  
dignation. To be so helpless and so ex-  
posed was an outrage against which I  
struggled in nightmare impotence, for  
I was bare to my hips also, and I knew  
not what other marks I carried besides  
those which had scarred me all my  
conscious life.

Now in the distance, and echoing,  
feet descended stairs.

I knew that people were coming to  
look at us, and I could not move a mus-  
cle in resentment.

I heard their voices, fringed with  
echoes, before either speaker came  
within my vision.

"This is the mortuary chapel of the  
Hotel Dieu?"

"Yes, monsieur le marquis, this is  
the mortuary chapel."

"Um! Cheerful place."

"Much more cheerful than the bot-  
tom of the river, monsieur le mar-  
quis."

"No doubt. Never empty, eh?"

"I have been a servant of the Hotel  
Dieu fourteen years, monsieur le mar-  
quis, and have not yet seen all the  
marble slabs vacant."

"You receive the bodies of the  
drowned?"

"And place them where they may be  
seen and claimed."

"How long do you keep them?"

"That depends. Sometimes their  
friends seek them at once. We have  
kept a body three months in the winter  
season, though he turned very green."

"Are all in your present collection  
gathered verdure?"

"No, monsieur. We have a very  
fresh one, just brought in—a big, stal-  
wart fellow with the look of the coun-  
try about him."

"Small clothes?"

"Yes, monsieur."

"Buckle shoes?"

"Yes, monsieur."

"Hair light and long?"

"The very man, monsieur le mar-  
quis."

"I suppose I shall have to look at  
him. If he had to make himself un-  
pleasant he should have stayed at the  
chateau, where his mother could iden-  
tify him. He is one of my peasants  
come to Paris to see life. I must hold  
my nose and do it."

"It is not necessary to hold the nose,  
monsieur."

## A WORM KILLER.

J. A. J. Montgomery, Puxico,  
Wayne county, Mo., writes: "I have  
little twin girls, who have been bot-  
tered with worms all their lives. I  
tried everything to relieve them,  
which failed until I used White's  
Cream Vermifuge; the first two doses  
brought four worms from one of  
them; the next two doses, twelve, one  
of them measuring twelve inches; the  
other child was only relieved of four  
worms. It is a most excellent medi-  
cine." White's Cream Vermifuge is  
good for children. It not only de-  
stroys worms, it helps the child to  
perfect growth, wards off sickness.
